# QuikStar™ Produce Bags

## SELF-OPENING STAR SEAL HEADER BAG

QuikStar™ Bagging Solutions are a hit with shoppers and produce department managers because they are easy to open, and easy to use with true “one-at-a-time” bag dispensing. As shoppers pull a bag free, the bag automatically opens, making it easy to slip one’s selection into the bag.

A variety of dispensing options allow bags to be placed anywhere they are needed: on partitions, wet case walls, or floor stands so they are always within reach. All QuikStar™ dispensers are designed for a simple “pinch & pull” dispensing motion. Our single bag dispensing not only simplifies things for shoppers, it helps the produce department manage their bottom line.

### THE PRODUCE SOLUTION

- EZ Self-Opening Bags
- "One-At-A-Time" Bag Dispensing
- Star Seal Header Bag

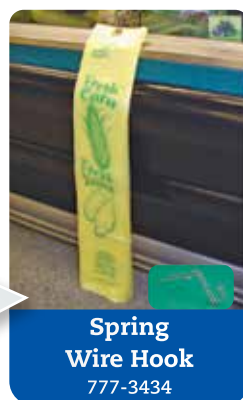

## PERFORMANCE FEATURES

- Innovative dispensing options to meet your unique merchandising needs
- Integral tab, headerless design leaves nothing behind on the rack or your department
- Patented EZ self-opening bags provide one-at-a-time dispensing to eliminate bag waste and shopper frustration
- Multiple bag sizes and films match the bag to the produce (standard, organic, greens, corn/yams, safe handling) with stock or custom print options
- Star seal bottom creates the strongest seal in the industry
