Let your packaging speak for itself

YOUR ONE STOP SHOP FOR QUALITY FLEXIBLE PACKAGING

Shields, a division of Novolex, has a long history of making packaging for produce and agricultural markets. We currently manufacture bags for apples, potatoes, carrots, celery, lettuce and other products in various sizes and gauges. Bags are supplied on wickets for automated equipment and in cases as singles, as well as in rollstock form. We offer a variety of printing options, up to ten colors, including full-color process print. We can also provide pouch seal bags for products that require specific barrier properties. Consult your sales representative today to discuss your particular packaging needs.
